-

1. Client Onboarding System

Client Discovery Questionnaire Prompt

Create a professional client discovery questionnaire for a [type of service] agency.

Include questions about goals, current situation, budget range, timeline, success metrics, and decision process.

Format it so it can be sent as a form or Notion page.

Proposal Structure Prompt

Write a high-converting proposal structure for a [service] project.

Sections: Understanding of the problem, Proposed solution, Scope of work, Timeline, Investment, Next steps, About us.

Tone: confident and collaborative.

Kickoff Email Sequence

Write a 3-email kickoff sequence for new clients:

1. Welcome + what happens next

2. Pre-kickoff preparation checklist

3. Kickoff meeting agenda and link ```

2. Client Delivery Templates

****Content Delivery Message****

Write a professional message to send when delivering content work to a client. Include: what is delivered, how to use it, revision process, and next steps.

****Revision Request Handler****

Write a polite but firm template to handle excessive revision requests while keeping the client relationship positive.

****Project Closure Email****

Write a project closure email that: summarizes results, asks for testimonial, offers retainer or next project, and leaves a good final impression.

3. Agency Sales & Marketing System

****Outbound Campaign Generator****

Create a complete outbound campaign for an agency selling [service] to [target clients]. Include: LinkedIn connection note, follow-up message 1, follow-up message 2, and email version.

****Case Study Generator for Agency****

Using this project data: [paste results]
Write a client-ready case study that an agency can publish on their website and use in proposals.

****Retainer Offer Design****

Design a monthly retainer offer for [service]. Include three tiers, what is included in each, pricing psychology, and how to present it.

4. Advanced Prompt Chains (Multi-step)

****Full Content Package Chain****

Step 1: Research and outline a blog post on [topic] for [audience].
Step 2: Write the full post based on the outline.
Step 3: Create a LinkedIn post version.
Step 4: Create a Twitter thread version.
Step 5: Write 5 email subject lines to promote it.
Execute each step clearly and label them.

****Offer Validation Chain****

Help me validate this offer idea: [describe offer]

1. Identify the core pain and desire
2. List strongest possible promises
3. Suggest proof elements needed
4. Recommend pricing and guarantee
5. Write a simple validation landing page copy ``

Weekly Content Engine

Act as my content strategist. For the niche [niche] and audience [audience], create a full week of content:

- 3 LinkedIn posts
 - 1 long-form article idea + outline
 - 5 Twitter/X posts
 - 2 Instagram caption ideas
- Make them coherent and valuable.

5. Commercial License Prompts

You are allowed to:

- Use all prompts for client work
 - Deliver the outputs to clients under your brand
 - Modify the prompts for your agency processes
 - Include them in your internal SOPs

You are not allowed to:

- Resell the prompt pack itself as a digital product
 - Share the original files publicly

6. Bonus Systems Included in Agency Pack

- Client onboarding checklist (prompt-generated)
