1. ChatGPT / Claude – Content & Writing (20 prompts)

1. LinkedIn Post Generator

Act as a LinkedIn content expert. Write a high-engagement LinkedIn post about [topic].

Structure: Hook (first line), value/story, key insight, soft CTA.

Tone: professional but conversational. Length: 150-220 words.

Include 3-5 relevant hashtags at the end.

2. Twitter / X Thread

Create a high-value Twitter/X thread (6-8 tweets) about [topic].

Start with a strong hook tweet. Each tweet should be under 280 characters.

End with a clear call-to-action. Make it insightful and shareable.

3. Blog Post Outline + Intro

Create a detailed SEO-friendly blog post outline for the topic: [topic].

Target keyword: [keyword]. Include H2 and H3 headings, a compelling introduction (150 words),

and suggestions for internal/external links. Audience: [audience].

4. Product Description (E-commerce)

Write a persuasive product description for [product name].

Highlight benefits over features, use sensory language, address objections, and end with a strong call-to-action. Tone: [luxury / friendly / professional]. Length: 120-180 words.

5. Email Subject Lines

Generate 10 high-open-rate email subject lines for a campaign about [topic/offer].

Mix curiosity, urgency, benefit-driven and personalized styles.

Avoid spammy words.

6. Cold Email

Write a short, personalized cold email to [type of person] offering [your service/product].

Structure: personalized opener, clear value proposition, social proof (optional), soft CTA.

Max 120 words.

7. Newsletter Section

Write an engaging newsletter section about [topic].

Include a short story or insight, one actionable tip, and a soft promotion of [product/link].

Tone: friendly and expert.

8. About Page Bio

Write a compelling About page bio for [name/brand].

Highlight expertise, unique approach, and the transformation offered to clients.

Tone: authentic and confident. Length: 180-250 words.

9. Case Study Summary

Turn these results into a short case study summary:

Client: [name] | Challenge: [problem] | Solution: [what you did] | Results: [numbers].

Make it benefit-focused and credible.

10. FAQ Answers

Write clear, helpful answers to these frequently asked questions about [product/service]:

[list 4-5 questions]. Keep answers concise and reassuring.

11. Instagram Caption

Write an engaging Instagram caption for a post about [topic].

Include a hook, value, and a question to boost comments. Add 8-12 relevant hashtags.

12. YouTube Video Script Outline

Create a detailed outline + hook for a YouTube video titled "[title]".

Include: strong opening hook (first 15 seconds), main sections, and closing CTA.

13. Sales Page Headline + Subheadline

Generate 5 powerful headline + subheadline combinations for a sales page selling [product].

Focus on the main desire and pain point of [target audience].

14. Testimonial Request Message

Write a short, friendly message I can send to a happy client asking for a testimonial.

Make it easy for them to reply.

15. Content Repurposing

Take this long-form content: [paste content]

and turn it into: 1 LinkedIn post, 1 Twitter thread idea, and 3 Instagram caption ideas.

16. Value Proposition

Write a clear and compelling value proposition for [business/product].

Format: "We help [audience] achieve [result] without [pain] through [method]."

17. Objection Handler

Write persuasive responses to these common objections:

[list 3 objections]. Keep the tone empathetic and confident.

18. Webinar Title Ideas

Generate 10 webinar title ideas about [topic] that create curiosity and promise a clear benefit.

19. Customer Welcome Email

Write a warm welcome email for new customers of [product/service].

Include what happens next and one quick win they can get immediately.

20. Content Calendar Ideas

Suggest 12 content ideas (one per month) for a [type of business] that wants to attract [audience].

Mix educational, promotional and community content.
